

Laurium Village Planning Commission

Thursday, June 2, 2022

Laurium Village Hall & GoToMeeting

**Present for Roll Call:** Kalen Carlson, Michael Lehman, John Sullivan, Daniel Woirol, Sam Stonelake

**Absent:** Kim Robbins

**Guests:** John Lacoangeli, Beckett & Raedar

The meeting started at 6 PM and ended approximately at 7 PM.

The purpose of the meeting was to hold a kick-off meeting for the master plan and zoning projects.

Mr. Lacoangeli provided materials to the planning commission regarding scope of the project and important components of a master plan.

The community engagement was discussed at length given the priority. Because the Village property tax bills will be mailed in early July, it was agreed that the Village survey would be made a priority to send notice of the survey in the property tax bills. Mr. Lacoangeli requested information be provided after the meeting in order to draft a survey.

Mr. Lacoangeli also noted he would have a contact from the MSU extension get in touch with Ms. Carlson to begin planning for community engagement.

Respectfully submitted,

Kalen Carlson
