

Village of Laurium  
Special Council Meeting  
August 30, 2019

**Present for Roll Call:** Bausano, Carlson, Erickson, Miller (5:05PM) and Schneiderhan.

**Absent:** Lanctot and Sullivan.

**Guest:** Edward Vertin.

The meeting was called to order in the village council chambers by President Bausano at 5:00PM.

The purpose of the special meeting was to discuss and decide on the purchase of a drill press and metal cutting band saw for the DPW. The current equipment is not good or safe anymore. Calumet Machine is used for repairs now. Based on what we have spent the last few years and the cost of new equipment, the return on investment will be about 5 years. Regardless of whether this equipment is purchased or not, there are repairs that need to be made on two dump truck tail gates. DPW Group Leader Jeff Kalcich will be working on a procedure for using this equipment. It is to be used for village equipment only and not for outside jobs.

A motion was made by Erickson and seconded by Schneiderhan to purchase a new **drill press** and **metal cutting band saw** for approximately \$7000. The funding will come from the Public Improvement Fund from the sale of the grader last year. Carried 5-0.

The meeting adjourned at 5:20PM.

Respectfully submitted,

Patricia M. Golus, Clerk

Village of Laurium
